EDUCATION

Government Titumir College, Dhaka— *Geography*

September 2023 - currently studying

Currently I'm a first year student of Geography and Environment at Government Titumir College, Dhaka.

Hajiganj Model Govt. College, Chandpur— *Humanities*

February 2020 - December 2022

I have studied at the department of Humanities at Hajiganj Model Government College Under the Education Board of Comilla

SKILLS

- HTML
- CSS
- JavaScript
- React
- TailwindCSS

Experience

I'm learning web development for last two years

I worked with a team and created a team project and it was a great experience

I have participated on a hackathon with 3 other Indian developers

I was in the end-game provided by programming-hero

LANGUAGES

I'm native Bangla speaker and I'm comfortable with English.
